Dear Todd,

Thank you so much for all your help. I honestly do not believe that I could have pulled off my event without your assistance. You and your staff were very professional, friendly, and extremely helpful. Your expertise and familiarity with the city of Denver made both our demonstration and reception at the Rockymount Ranch Wear store a success.

I will definitely utilize your services again if the occasion arises. I wish you the best of luck in expanding your operation outside of Denver. Again thanks for all your help and let me know how that floor turns out.

Sincerely,
